- Please use our website to check if the items you are searching for are in stock. If you can't see what you are looking for you may be able to select alternatives that are available to view.
- We aim for visits to be around one hour (however longer visits can be organised at the discretion of the Palmstead team member organising your visit)
- All guests must be over 16; no pets are allowed on site
- The ground is uneven and often muddy so you must wear suitable footwear.
- You will need to wear a high visibility vest and be accompanied *at all times* on the nursery.
